

Certificate of conformity of the factory production control

1071– CPR – 1922

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

EKTAFOL PV, PF+ and GT

Ektafol PV, PF+ and GT are roofing membranes made of pliable PVC. The products are satisfying the requirements of roofing membranes on flat and sloping roofs and terraces.

Placed on the market under the name or trade mark of

Takringen AS

Postbox 4134,
NO-3005 Drammen, Norway

and produced in the manufacturing plant(s)

Protan AS

Baches vei 1
NO-3413 Lier, Norway

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 13956:2012

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 23.06.2013 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body, and latest until 01.12.2028.

The certificate is valid provided it is listed on www.sintefcertification.no.
