Relevant attachments to the application are documents that will be the basis for certification. These include:

- Detailed specification of the product (e.g. technical data sheet).
- Declaration of performance (DOP) where required.
- The form SINTEF "Obtaining environmental data - Self-declaration", completed for all products. Form to be filled out by the manufacturer.
- Safety data sheets where required.
- Relevant test reports or certificates.
- Documentation of satisfactory quality control systems, such as the ISO 9001 certificate, or a control agreement documenting that product and production controls have been subject to examinations by a designated inspection body.

For more detailed information on documentation requirements, see "SINTEF Environmental Certificate Requirements for Health and Environmental Properties".

The application must be sent as an attachment by e-mail to [certification@sintef.no](mailto:certification@sintef.no), or to SINTEF Byggforsk, PO Box 124 Blindern, 0314 Oslo. The attachments to the application must also be included. The application should be named Application for SINTEF Environmental Certificate. **The application must be as complete as possible, and all information attached to the application must be relevant to the product.**
